ADENDA #1

RFP-SP-2022-2023-038-JRCM

Propuesta para realizar Estudio de Mercado de la Industria del Cannabis Medicinal en Puerto Rico.

Propósito Adenda #1:

Responde las preguntas sometidas por la compañía Deloitte Consulting.

1. Does the Department of Health have a targeted budget for the project?

No. / No.

2. Can the Department provide more information about project funding sources? Will it be Federally and State funded? Will proceeds from medical cannabis sales be used in the funding of this work?

Los fondos serán estatales. No serán provenientes de la venta del producto de cannabis medicinal. / Proceeds for the project are State funds. They will not come from the sale of the product of medical cannabis.

3. Will the Department provide additional summary information related to the medical disposition of current cannabis patients?

Sí, se proveerá la información necesaria para la meta propuesta sobre estudio económico. / Yes, the necessary information to conduct the analysis will be provided to reach the goal of this proposal.

4. What type of data and information is the Department most interested in getting greater insight to?

Ver descripción Sección 1 y 2 de los pliegos, RFP-SP-2022-2023-038-JRCM. En adición, refiérase a los “Resultados Esperados”. / See description of Sections 1 and 2 of the Request for Proposal, RFP-SP-2022-2023-038-JRCM. In addition, refer to “Resultados Esperados”

5. Is there a specific data tool they would like us to use for the visualization? If so, please provide what tool that would be?

No./No.

6. Will data (patients, applicants, licensees, inventory, product sold, etc.) be provided by the Department to assist in analysis or will data need to be collected by the selected vendor?

Se proveerá la información necesaria para conducir el estudio. / The necessary information will be provided to conduct the study in accordance of the necessity of such.

7. Page 10 of the RFP includes “Work plan aimed at maximizing Hospital admissions” as evaluation criteria for “Compensation Model and Proposed Offer” – please provide additional information of how this is relates to the project.

Es un error de redacción que debería indicar: Plan de Trabajo dirigido a maximizar los recursos destinados a este propósito. / Drafting error that should be indicated: Plan de Trabajo dirigido a maximizar los recursos destinados a este propósito.

OFICINA DE SUBASTAS

8. Is there a particular format the Department requests for the “Bid estimate”? Is DOH open to a contract structured as firm fixed pricing or time and materials or a combination of both?

El metodo preferido de contratación es el combinado. / A combination of both is the preferred contractual arrangement.

9. Does the Department current use an index to monitor for supply/demand saturation. If so, what are the inputs that drive the index?

Esta información será provista a la compañía a la cual sea adjudicada la propuesta. / This information will be provided to the company the proposal is given to.

10. Is there any specific dates or milestones that need to be considered for the timeline and delivery?

Ver pliegos. / See Request for Proposal.

11. Will the Department consider a due date extension for the response?

Ver pliegos. / See Request for Proposal.

Todas las instrucciones y requisitos adicionales establecidos en los documentos de Solicitud de Oferta no se modifican. Este Anexo es parte de la Solicitud de Oferta. La información aquí incluida deberá ser tenida en cuenta al momento de la presentación de la Oferta.
