First Important Update 2024-PRMP-HIE-001 RFP Amendment #1

This notification¹ has the purpose of informing interested vendors the following corrections to the Health Information Exchange Operations and Technical Services request for proposals:

- a) Section 3.2 –Contract Duration– is amended to read as follows:
The PRMP targets a contract start... The contract is based on two years with two optional ~~two-year~~ **one-year** extensions (potential for four years total). During the optional years, ...

- b) Attachment A –Cost Proposal– includes a “Year 3” column for vendors to provide costs related to a third year of contract (column D of table 1 –Fixed Cost, and columns I, L, K of table 2 –HIE Service Cost). Be advised that those columns should be left blank. Any information included in columns related to “Year 3” will be disregarded. PRMP will only consider costs regarding Year 1, Year 2, Year 1 option and Year 2 option.

The rest of the RFP remains unaltered.
