BACKGROUND

The Puerto Rico Department of Health (PRDOH) is the state agency responsible for all matters related to public health including the administration of programs funded through the Title V Block Grant. PR Title V consists of the Maternal, Child and Adolescent Health Program (MCAH) housed in the Maternal, Child and Adolescent Section (MCAS), and the Children with Special Health Care Needs Program (CSHCN) located in the Children with Special Medical Needs Section (CSMNS). Puerto Rico Title V provides services and implements initiatives in the seven PRDOH Health Regions. Within the MCAH, the Maternal, Infant and Early Childhood Home Visiting Program (MIECHVP) addresses the areas of women's health, pregnant women's health, infant health, and child health.

The MCAH of PRDOH administers the Puerto Rico Maternal, Infant and Early Childhood Home Visiting Program (PR-MIECHVP), known locally as *Familias Saludables Puerto Rico* (FSPR). The Program purpose is to offer services to high-risk pregnant women using strength based, family-centered partnerships and relationship-based interactions. PR-MIECHVP intends to continue improving the home visiting services available in Puerto Rico that strive to improve its maternal, child, and family health by increasing the capacity to effectively deliver evidence-based home visiting services implemented with fidelity. The program uses the Healthy Families America (HFA) evidence-based home visiting model with the Growing Great Kids (GGK) evidence-based curriculum. PR-MIECHVP has been impacting high risk mothers from Barranquitas, Orocovi, Jayuya, Adjuntas, Maunabo, Patillas and Arroyo. These seven municipalities have been identified with high incidence of health, socioemotional, and socioeconomic risk factors. To deliver the services, PRDOH contract Local Implementing Agencies (LIAs) to deliver the services in the municipalities selected from the 2020 MIECHV Statewide Needs Assessment.

PR-MIECHVP must meet with the established selection criteria negotiated by the federal Health Resources and Services Administration (HRSA), giving priority to:

- Families with children who show signs of poor school performance, developmental delays or disabilities.
- Families who serve in the armed forces or that have served in the armed forces.
