Both applicable to the practice of Engineering and the Architecture.

According to Section 4.2 of Law 38-2017, 3 L.P.R.A. § 9672, a party adversely affected by an agency's final order or resolution and who has exhausted all remedies provided by the agency or the appropriate appellate administrative body may file a request for judicial review with the Court of Appeals within thirty (30) days from the date of filing in the records of the copy of the notification of the agency's final order or resolution or from the applicable date provided in Section 3.15 of Law 38-2017 (3 L.P.R.A. § 9655) when the time limit for requesting judicial review has been interrupted by the timely filing of a motion for reconsideration.

The party shall notify the agency and all parties of the filing of the request for review within the time limit for requesting such review. The notification may be made by email. If the filing date in the records of the copy of the notification of the final order or resolution of the agency or the corresponding appellate administrative body is different from the date of deposit in the mail of said notification, the term will be calculated from the date of deposit in the mail.
